Commercial applicator means any applicator who has completed the requirements as determined by the board, including appropriate training and time in service, to apply for a certification, and who uses or supervises the use of any pesticide for any purpose or on any property other than as provided in the definition of private applicator.

Commercial applicator not for hire means any commercial applicator who uses or supervises the use of pesticides as part of his job duties only on property owned or leased by him or his employer. This definition shall also apply to governmental employees who use or supervise the use of pesticides, whether on property owned or leased by them or their employers or not, in the performance of their official duties.

INFORMATION FOR RECIPROCAL AGREEMENT PESTICIDE APPLICATOR CERTIFICATION

All Commercial Applicators (with the exception of not-for-hire commercial applicators and government employees) must either obtain, or work for a firm that has obtained a Virginia Pesticide Business License issued by the Virginia Department of Agriculture and Consumer Services. This should not be confused with a county, city, or business license from another state.

Recertification is required every other year. This is usually accomplished by attendance at a VIRGINIA APPROVED recertification course. Reciprocal recertification may be granted to out-of-state applicators if they:

1. maintain certification in their home state;
2. provide proof of current certification to the Office of Pesticide Services;
3. are currently certified in a state that grants reciprocal recertification to Virginia applicators

Commercial Pesticide applicator Certificates **must be renewed every two years.**

Please follow instructions below in filling in your application:

1. Fill in "Application for Reciprocal Applicator Certificate" **completely**.
2. If you are an out-of-state resident, you must fill in the Power of Attorney forms in duplicate (2), **have them notarized** and submit a \$3.00 filing fee. If your business has a Resident Agent registered with the Virginia State Corporation Commission, please indicate same on form and omit the fee.
3. Enclose a copy of your certificate, **including the description of the categories** from the state with whom we have a Reciprocal Agreement. **Be sure** this is a current license. See back of application for a list of Virginia categories and description.
4. Enclose your fee of \$70.00 for certification made payable to **THE TREASURER OF VIRGINIA**.
5. If you are an aerial applicator, you must submit a copy of your **FAA Certificate**.
